# Kani

Hi... My name is Kani and today I feel horny as hell. I wanted my boyfriend to come over so we could play around. I wanted to taste his cock today and I wanted to play with it. It's so cool to start with a wimpy piece of flesh and when you play with it a little bit, it become this still rock-hard thing that beckons to play with. Then it's time for him to lick me, and then fuck my pussv. It's wet and warm and willing. Then after we exhaust ourselves with that, I'll offer up my ass to him (his favorite).

Sammy Johns had a huge hit in the mid-70's (remember?) with 'Chevy Van.' The driver picked up a girl and by the end of the song, they had made it in the back. Oh, what fun.

# Love at 70 mph

Enhance your own private sexual experience with sex in a more unusual place. No, we're not talking about joining the Mile High Club (although that is a great club to join) but a place that is safe, and exciting. Like this letter we got from Bobby Joe from Jackson, Mississippi as he and his girlfriend Danielle are headed home from college with a van loaded up with their college furnishings. Their friends Sam and Julie joined in renting the van and their stuff was loaded in too. Since it's a commercial van with only two seats, Bobby Joe and Danielle rode in the back for the first half of the trip.

**Get comfortable, it's gonna be a bumpy ride.**

I'm laying with Danielle – Dani – on a few folded up mover's blanket. Sam, my college roomie, was driving and his GF Julie, was riding shotgun. Dani had just drifted off because she had just finished her final exams and then rushed back to her dorm to pack. We were on the road for about an hour and Dani wanted to fool around. I said we'd be home

in a couple hours, but she insisted and grabbed my cock over my jeans. Within a minute my cock was hard and my zipper was down. She stroked me a few times to be sure I was ready and then whispered that I should hold it. So I grabbed my cock and she pulled down her pants and backed her naked butt into me. I reached down to feel her pussy and it was already wet. I slid in easily and we settled down on our sides, spooning in the back of a commercial van going 65 or 70 down Interstate 20 headed for Dallas. I pumped into her a few times and noticed she was not responding. I pulled back her hair and looked down at her to see she had dozed off. I didn't know what to think,

At first I thought my fucking was boring until I realized how tired she must be. I wrapped my arm around her without really thinking about it. Dani, reacting unconsciously in her sleep, snuggled tight against my body, her arm wrapping itself over mine and holding it against her chest. She gave this cute little sigh of contentment. All I could think

of was my cock slowly going limp inside her warm, still wet pussy.

I didn't want to waste it so I started flexing my cock and slowly pumping her to get hard again. As I did, a smile appeared on her lips. Damn, she was cute. I felt my dick begin to harden inside her again. She snuggled closer at that point, fully impaling herself

enough that I couldn't imagine what the fuck she was doing. Most of me was concerned with making sure her movements went undetected, and I didn't look down until I felt her hand on the underside of my cock.

Dani was mostly covered by the blanket we had been sharing, but the leg she had thrown over my

on me, and my dick began to take over my thought process again. I mean, here was this gorgeous girl who I was lucky to be with and my cock is inside her and she wanting more of me, grinding on my dick. My body reacted instantly without asking permission from my conscious mind.

My cock, hardened to it's fullest instantly but I tried to will myself to hold still as she awoke. She quickly realized what had woken her and turned her head to look back at me. Her eyes opened a little wider. "Baby, I thought I was dreaming this." she whispered. That explained why she was so wet. Dani was still facing away from me and I pulled her closer. I heard a soft little moan and looked down at Dani. Her eyes were closed as she bit her lower lip to stop making any more noise. Julie was still asleep in the passenger chair and Sam had to keep his eyes on the road to notice much else.

Then, there was some more movement. I figured she was trying to massage some feeling back into her arm or something. I knew how much I hated the feeling of my limbs falling asleep. But then I felt her warm thigh on top of mine, and I was asleep

hips was now partially exposed. Her body was facing my own, and she was currently peering between our bodies as her hand worked underneath the blanket. I let her hand guide me until it had effectively lined me up once again. I could feel the warmth from her tunnel on the head of my dick. My dick was between her pussy lips. I paused as I felt my head pass through the firm grip of her opening. Her eyes pleaded with me as she chewed on her bottom lip to stop the moans that were in her throat. After four inches of me had disappeared into her, Dani leaned in to rest her forehead against my shoulder. I paused again.

My dick decided to continue at that moment, and I began to push into her again. The smile was immediately replaced with her cute lip-biting, and her eyes held mine as I continued to push into her. As the fifth inch vanished inside her, those hands became claws and moved to grip my back. The leg that had been gently draped over my hips now locked into place, holding me against her. In this position, she began to roll on to her back. I knew she couldn't pull me over if she tried, but I moved onto her as she rolled. I was propped up on my elbows so that she

wouldn't have to support my full weight. She was tight enough that, even as we rolled, my dick had not gone any deeper. She locked her legs around my hips and draped both arms around my neck as she looked into my eyes again. She looked so sexy.

The blanket had fallen so that it covered just enough of our lower bodies to hide the fact that we were connected to one another in the physical sense. She was still wearing her cute little tank top, and I still had my t-shirt on. Her blue eyes were glazed over and unfocused, eyebrows drawn together in a fierce concentration on what she was feeling inside her. She was biting her lip again, and her cute little nostrils dilated in time to her shallow but rapid breathing. Even though she was taking such shallow breaths, her chest was heaving and her hips writhed underneath me. I leaned down for one of the sexiest, most sensual series of kisses ever.

Moments later, she made a little moan of impatience

Unfortunately, given the current surroundings, I couldn't risk taking off her shirt. However, Dani had decided in the favor of comfort when she had dressed for the ride and had once again neglected her bra. So I could feel the heat from her skin and as I reached her breasts, her eyes opened a little wider. I lowered my head slowly over her other breast and began mirroring the movements of my finger with my tongue on her opposite breast.

She began to squirm almost uncontrollably, and I decided to let her finally have her release. I suddenly pinched down lightly on both nipples, one between my fingers and the other between my teeth. I buried the rest of my cock deeper into her now soaking pussy with one firm thrust. Her reaction was intense and immediate. She pulled my face up to hers, but then turned to bury her teeth into my shoulder. Her hands turned into talons as they gripped into the muscles of my back, scratching furrows into my skin even through my shirt.

and broke off our make-up session. She whispered that I had to keep the pace going, grinding her hips against me to illustrate what she meant. I decided to be a little evil. Instead of ramming my last inches into her like she wanted, I froze and looked into her eyes. The expression of her frustration mixed with her sheer desperation caused a taunting smile to appear on my face.

Her ankles locked behind my waist as she pressed the length of her body into mine. I had no idea how intense her orgasm was until she started spasming around my shaft. Her moans made Sam turn around and look at us. He saw what he saw but we didn't care. Squirming out from beneath me, Dani yelled out to keep his eyes on the road! He gave us a big thumbs up and we all laughed.

# GIRL NEXT DOOR

## ELEKTRA

My boyfriend insisted we do some sexy shots and send them into some magazines. A didn't want to do it at first, not because I was shy, but I had too much schoolwork and had just started college. Well, he convinced me to do it and we sent out a few. Hope you like them.

# PARADISE

Paradise is a super hot college babe that was getting ready to go to band practice. Her boyfriend had other plans in mind as he watched her get ready. Before she was about to go, he asked her to show him her instruments, but with nothing on. She bent over and displayed her round juicy ass and sweet pussy. Soon after, she was down on her knees, all warmed up for the camera. She was definitely late for practice that day.

# KALI

I'm really happy that my girlfriend forced me to send you these pictures. My boyfriend is so shy that it took six months to convince him to do these pictures, but only if we didn't show them to anyone. He even made the photographer give us the outtakes. So they stayed in a drawer for another six months until I got up the gumption to show my BFF. She loved them and convinced me to send them in to you. I hope you'll print them so I can see me in a magazine. Thanks!

# GIRL NEXT DOOR KSUSH

"You can watch my hot young girlfriend getting her asshole fucked hard for the very first time. I caught the whole thing on my home video camera for never forget this special occasion. I found her lying on the bed rubbing lotion all over her body. When she finished she told me that she was ready to have her first anal experience and I am more than happy to oblige. Ksush then lets me cum on her pretty 19 year old face! We had fun making the video. We hope you enjoy it, too."

# my lesson in cheating

"Why are you on this website looking for someone to befriend." I asked. "Especially if you're married? Don't you love your husband? Don't you like spending time with him?" I continued. Blanca sounded so sad when she replied... "My husband's always with his friends. They do all sorts of stuff that never includes their wives. We've tried to convince them to spend more time with us and that's fine for a week, but then later they make plans that don't include us."

These conversations went on for several days before she finally got a chance to get away and hang out. We went out to see a show and then decided to head back to her place and snuggle up on the couch for a while. It wasn't too long after we'd curled up together that she fell asleep. She looked so peaceful, so comfortable. I didn't want to disturb her but I really had to pee, so I wiggled my way out and headed to the bathroom.

I went back to the couch to curl up with Blanca and she nuzzled her face into the crook of my arm. I couldn't help but kiss her forehead. She was so beautiful, and I kept wishing that she wasn't married. I knew I was crossing a line

just by kissing her forehead but I couldn't stop myself if I tried. There were so many mixed emotions and so many thoughts running through my mind that I decided to get back up and go out on the balcony for a smoke.

She woke up a few minutes later and found me sitting alone out on her balcony. I didn't even realize until then just how my face looked and I tried to play it off, hoping

she'd leave it alone. "It's nothing. I was just thinking, that's all." She didn't drop it though, and tried to pry even further.

"You can tell me. It's okay." she said.

It's not." I retorted. It's not okay, I thought to myself. None of this is okay. She's married. I shouldn't be feeling like this, but I do, and it hurts because I can't do anything at all about it. "I'm just a little confused about some things."

Blanca finally stopped asking and wrapped her arms around me, letting her head rest on my shoulder. I hugged her back, holding her tight to me and it took every ounce of energy I had in me not to bring her lips to mine... This "friendship" was tearing me apart, and there was nothing I could do about it...

Later that night, as we held each other in her bed watching some sappy romance flick, I'd realized that the only way this feeling was ever going to subside, or at least mellow out some, was if I got up the courage to finally make my move. I was careful not to disturb her or draw her attention as I took off my clothes and gently grabbed her hand. I pulled it slowly down

She was working the back of her throat, opening the way to get my whole seven inches as far as she could into her mouth.

to my already-hard cock and helped her hand encircle it.

I let go and it stayed there. Then I slid my hands up her t-shirt, taking both her nipples between my thumbs and fingers as my lips made their way across her neck. This woke her up and as she turned to me, she realized her hand was on my cock and I was naked. "Jake, what did you do, what's going on here?" she asked as I grabbed the hand on my cock and held it there. She didn't resist as I got rock hard just imagining what could happen.

I trailed more kisses down her neck and took her shirt off of her, tossing it aside and wrapping my lips around her hard and perky nipples. They were so round, so perfect. I looked her dead in the eyes as my free hand roamed its way down her tummy, into her panties, finding her warm, wet, juicy pussy. I slipped my fingers between the nice smooth folds and across her clit, making her body jolt a little. As guilty as I felt for wanting a married woman, I didn't feel guilty when I saw that she wanted it too. For a moment, the concept scared me, but only for a moment.

Blanca got on her knees and shuffled across to my side of the bed to find cock was standing straight up. She leaned forward and

kissed my nipples, then her mouth worked its way down past my navel, her tongue licking my skin on the way down. Suddenly, I felt her warm breath on the head of my cock, followed by a swipe of her tongue on the sensitive underside. My cock jerked in response. Her mouth engulfed my cockhead and her tongue and lips joined in a slurping and sucking routine.

My hands came down to touch her hair and massaged her scalp as her mouth and tongue became more active. My hands took a hold of her head, keeping her there but not wanting to scare her by gripping her head too hard.

Then she took hold of the base of my cock with one hand while her other hand guided it deeper into her mouth.

It slid across her tongue, her mouth stretched wide to accept it. The knob reached the back of her throat and she gagged briefly, but didn't remove it. She just held it deep inside her mouth and her tongue began sliding along his length, slurping greedily.

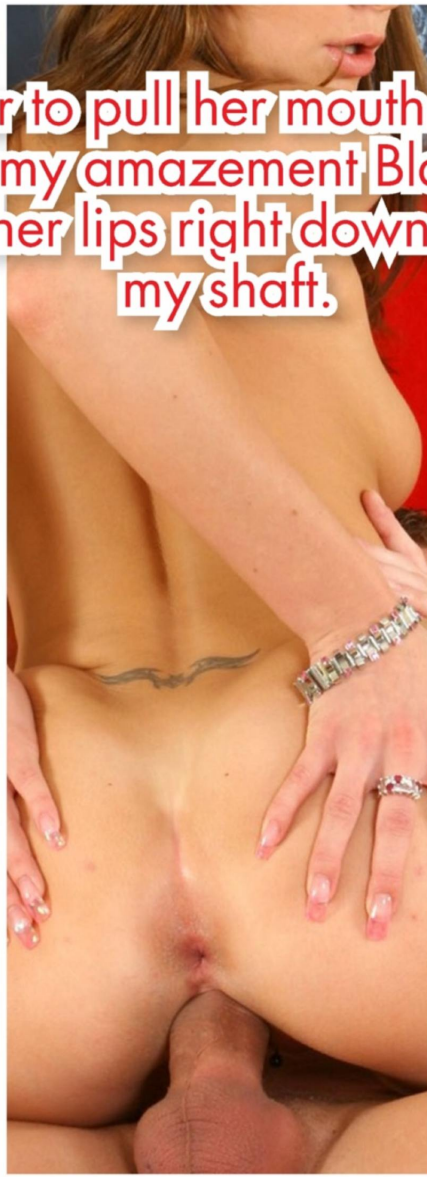

Blanca became accustomed to the feel of me in her mouth, testing her gag reaction. After two or three minutes lying still in her mouth, my guiding hand pushed my cock slightly further in. She was working the back of her throat, opening the way to get my whole seven inches as far as she could into her mouth.

I let out a long sigh, my hands at the back of her head just holding it steady. I wanted to push my cock deeper and pushed hard into her throat. Two or three more minutes went by, then suddenly she drew back her mouth and I began to slip out. I stiffened my hands at her head, trying to hold her mouth onto my cock.

Then, with only the top of my head still held between her moist lips, and to my utter delight, Blanca started to slide her mouth back over my shaft again. Her lips

I expected her to pull her mouth straight off my cock, but to my amazement Blanca resumed trying to get her lips right down to the base of my shaft.

went almost to my balls before she withdrew again. Her rhythm increased. I was impressed. She was good at it, all tongue and lips, particularly on the underside of my cock and balls. All too soon I felt my cock tensing, preparing for release.

I tried to think of a bunch of non-sexual things, attempting to nullify the stirring sensations that her lips and tongue were applying to my hard cock. I muttered a moan and she sensed that my time was close. Her sucking mouth and licking tongue had so expertly aroused me that I was on the brink. Just a few more strokes will do it. I expected her to pull her mouth straight off my cock, but to my amazement Blanca resumed trying to get her lips right down to the base of my shaft.

She intensified her effort to bring me off. It only took two more thrusts by me deep into her mouth, hitting her palate with my cock head. I felt pleasure surge through my organ – and then the warm creamy liquid spurt to the back of her throat. She couldn't help gagging but she managed to quickly overcome it in time to feel the second spurt. I poured enough cum into her throat that she had to swallow. She gulped it down as the third spurt launched from my cock to splash the back of her throat again.

My cock pulsed and sprayed its contents deep into Blanca's sucking throat. Slowly, she pulled her mouth back off my shaft. My cock slipped from the grip of her lips with a pop. She pressed forward again to lay a sweet kiss on the tip of my organ, her tongue wiping up the last strands of cum.

We rested for twenty before I positioned myself above her, ready to take her like I'd dreamed of doing for such a long time. Her eyes widened further in anticipation. She opened her legs further inviting me in, and I obliged. Blanca's tight pussy wrapped around me like a blanket, warm and cozy, and oh

so sexy. I slammed myself in and out of her, splashing her juices all over me as she squirted again and again from her little mini-orgasms. My fingers brushed her clit as I stared into her eyes. My lips met hers as our bodies seemed to melt together.

I felt myself growing thicker and harder with each and every stroke and as I built up, she tightened around me, as if she felt exactly what I was feeling. She looked me in the eyes as I fucked her deeper and harder, so close to going over the edge. I felt her pussy pulse around my throbbing hard cock as I pushed one last time deep inside of her, emptying myself into her hole. Her legs squeezed and held me there as she convulsed and groaned one long groan. I wrapped my arms around her and kissed her as passionately as I could.

Blanca and I have continued our trysts for several months now and each time it seems to get more and more intense. What's interesting is that she said her husband is enjoying sex with her even more and he has stayed home a bit more often. I'm not jealous about that. As a matter of fact, I have to pat myself on the back for helping bring some life back into their relationship. Seems to me that she's burning the candle at both ends and loving it!

Since I was home alone, I took Billy back to the my room and promptly started sucking on the thickest cock I've ever seen! After he dipped his tongue into my pussy, he stretched it with his monster cock. His cock was almost too much for little me to handle but I took it like a pro and happily took Billy's creamy jizz load all over my mouth and face.
