EL EM-CM PHOTOGRAPHY

Publicada internacionalmente, modelo de tatuaje y fotógrafa CM Fotografía

Intereses: arte, fotografía, aptitud física, baile

Comencé a modelar cuando tenía 15 años. Mi interés por la belleza y la moda fue lo que me atrajo y también mi amor por el arte y la creatividad. Modelé durante unos años y luego tomé un descanso por un tiempo. Me volví a él hace unos años y no he vuelto a mirar hacia atrás desde entonces.

Mi modelado comenzó a ser serio cuando me convertí en parte de The International Bikini Model Search. Ahí es donde vino mi primera publicación y se han multiplicado por docenas desde entonces. He sido bendecida bastante para adornar la cubierta de muchas revistas y tener muchas características también. También tengo la bendición de ser una modelo de embajador para el IBMS. Creo que he crecido tanto como un modelo en los últimos dos años con esta empresa. Ahora estoy filmando para las empresas de ropa y bikini, trabajando para revistas y otras empresas. Las personas que he conocido de todo el mundo han demostrado ser profesionales, talentosos, personas increíbles y grandes amigos.

Aquí también nació CM Photography. Siempre me he interesado en la fotografía, pero nunca pensé en hacer una carrera fuera de ella o ver mis fotos en las portadas de las revistas. Los fotógrafos con los que he tenido el placer de trabajar y aprender son algunos de los mejores de la industria. Para planes futuros, imagino que me retiraré del modelaje y me centraré más en el lado de la fotografía. Me desafío a ser creativa con él y ver lo que puedo sacar que es diferente. Por ahora, estoy realmente disfrutando estar a ambos lados de la cámara y también entrenar modelos durante los brotes en técnicas de presentación y expresión facial.

Esta industria entera ha sido siempre una manía lateral para mí que apenas disfruté el divertirse con así que soy agradecido estupendo que he podido sobrepasar mis expectativas de donde iría con él. ¡Ser capaz de viajar por el mundo y disfrutar haciendo lo que estoy haciendo es simplemente impresionante! ¿Algún consejo para otros? ¡Sigue tus sueños! ¡Nunca se sabe lo que vendrá de ellos!

Internationally Published Tattoo Model and Photographer CM Photography

Interests: art, photography, physical fitness, dancing

I started in modelling when I was 15. My interest in beauty and fashion was what drew me to it and also my love of art and creativity. I modelled for a few years and then took a break for awhile. I got back into it a few years ago and haven't looked back since.

My modelling started to get serious when I became a part of The International Bikini Model Search. That's where my first publication came from and they have multiplied by the dozens since. I have been blessed enough to grace the cover of many magazines and have many features as well. I am also blessed to be an ambassador model for The IBMS. I believe that I have grown so much as a model over the past couple of years with this company. I am now shooting for clothing and bikini companies, working for magazines and other companies. The people I have met from all over the world have proven to be professional, talented, amazing people and great friends!

This is also where CM Photography was born. I had always been interested in photography but never thought I would make a career out of it or see my photos on the covers of magazines. The photographers I have had the pleasure of working with and learning from are some of the best in the industry.

For future plans, I imagine I will retire from modelling and focus more on the photography side of it. I challenge myself to be creative with it and see what I can pull off that's different. For now, I am really enjoying being on both sides of the camera and also coaching models during shoots on posing techniques and facial expression.

This whole industry has always been a side hobby for me that I just enjoyed having fun with so I am super grateful that I have been able to surpass my expectations of where I would go with it. Being able to travel the world and enjoy doing what I'm doing is just awesome!

Any advice for others? Follow your dreams! You never know what will come of them!
